Biblical Lifestyle Agreement (Abbreviated Version)

(Full Version can be found online at <http://warner.edu/undergraduate/campus-student-life/lifestyle-expectations/>)

At the core of Warner University is the belief that the Bible has the final say in all matters of faith and practice and consequently allow God's Word to shape us. Though today's culture is moving away from God, WU is staying the course. We're keeping the Bible as our reference point and continuing to remain under its authority. We believe that following God's teachings as revealed in scripture and through His son, Jesus Christ, will result in a life blessed and fulfilled in his pattern for each individual.

Because we are made in God's image, it is our privilege to allow His glory to shine through us. We want to enhance His image in us, not mar it. We hide behind His image, so people will not see us, they will see Christ.

- **We respect our bodies as temples and refrain from any negative activities or habits that will cause concern or problems for others or harm to ourselves**
- **We are modest in dress and deportment, not drawing attention to ourselves with extreme styles or indiscreet fashions**
- **We maintain control of our speech, keeping our language appropriate, avoiding swearing, and abusive speech**
- **We seek to act with integrity in our dealings with the world around us. We follow God's model of care for His creation, for appropriate regard for governmental leadership and for financial responsibility which acknowledges God's provision.**

As a student at Warner University, I understand and accept the Biblical Lifestyle Agreement as set forth above. With God's help, knowing I will struggle and fail at times, I will strive to love the Lord with all my heart, soul, mind and strength while attending WU. I will strive to love and respect the people God places in my life and will uphold the Biblical Lifestyle Agreement to the best of my ability.

Please check if you agree. (Application will not be accepted without agreement)
